#### WILL STORE LIMESTONE.

The farmers of Daviess County are buying a large amount of ground limestone for use this season. In January 1918 tons were delivered and more would have been bought if storage of some kind had been available. The co-operation of the Webster Stone Co., and several of the

local coal companies solved the problem for the farmers. One of the coal companies will handle ground limestone at 48 cents per ton. This makes the price to the farmer from the shed at the railroad \$3.10 per ton. He can, however, take a load of limestone home at any time he is homeward bound with an empty wagon.

#### OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

For over 200 years GOLD MEDAL Haarlem Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haarlem Oil is enclosed in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small

swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When completely restored continue taking a capsule or two each day. GOLD MEDAL Haarlem Oil Capsules will keep you in health and vigor and prevent a return of the disease. Do not wait until old age or disease have settled down for good. Go to your druggist and get a box of GOLD MEDAL Haarlem Oil Capsules. Money refunded if they do not help you. Three sizes. But remember to ask for the original imported GOLD MEDAL brand. In sealed packages.

#### GOVERNMENT ASKED TO STABILIZE WOOL PRICES.

WASHINGTON, April 3.—To protect American wool growers until the present clip has been disposed of, Senator King, of Utah, was asked Bernard Baruch, former Chairman of the War Industries Board, who now is serving in an advisory capacity with the American Peace Commission, to take up with the British Government the question of temporarily stabilizing wool prices among the allied governments.

Great Britain is said to have several billion pounds of wool available and Senator King desires perfection of some agreement to prevent the wool from being thrown upon the market at one time or in such quantities as to cause a depression of prices.

The War Department last January agreed to withdraw from the market all stocks of wool from July 1 until November to enable growers to dispose of their present clip.

#### IF I WERE A FARMER

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Liniment for sprains and bruises and rheumatic pains. Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.

#### IN MISERY FOR YEARS

**Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.**

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."

—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

#### "RAINBOW SOLDIERS" WANTED FOR LOAN CAMPAIGN.

Secretary Glass has asked Secretary Baker whether it would be possible to move forward the date of the return of the 42d (Rainbow Division) from April 26, the scheduled embarkation date, so that the troops might parade in the United States during the Liberty Loan campaign.

Secretary Baker took Mr. Glass' request under advisement. Many practical questions, it was explained, are involved in changing the order of return of divisions from overseas as established by General Pershing and plans for their reception in this country.

A study of the difficulties on this side will be necessary and if it is found possible to make the change it is assumed that Mr. Baker will then transmit the proposal to General Pershing for consideration. It may be some days before a final answer to Secretary Glass' request can be made.

#### TOLEDO MAYOR REFUSES TO ALLOW DEBS SPEECH.

TOLEDO, O., April 1.—Eugene Debs, under sentence to serve ten years in Federal prison for violation of the espionage act, and whose sentence was recently upheld by the United States Supreme Court, was barred by Mayor Cornell Schreiber from making a public address here Sunday in Memorial Hall, a building owned by the city.

Debs' speeches in the past from the same platform have caused the Rotary Club and other civic organizations to denounce the city administration. It was said at that time that the city would not prohibit the Debs meetings because his appeal to the Supreme Court was pending.

Mayor Schreiber's statement said the city now feels justified in barring the Socialist from a municipal building, inasmuch as his conviction has been confirmed, and that he will not be permitted to speak there at any future time.

#### LONG WEAR AND ECONOMY

"Last year I purchased a standard make of shoes, and in sixty days the soles were worn through. I had them re-soled with Neolin Soles—which lasted me six months in the same service that wore out the other sole in two," writes E. A. Lancaster of Lancaster & Company, Lowell, Greenfield, Tenn.

Mr. Lancaster's experience with Neolin Soles is not unusual. Neolin Soles can last for a year or more, and they are so comfortable and economical that they are being worn by thousands of people.

Neolin Soles are made of a special material that is soft and pliable, and they are so comfortable that they are being worn by thousands of people.
